Meeting Minutes (June 25, 2018 meeting)

The meeting was called to order by Buster Hinkle at 7:32pm.

New Members/Visitors – Darrel Tintsman joined the club at tonight's meeting. He recently moved here from California.

Minutes from the meeting held in May were accepted based on a motion made by Buster Hinkle, seconded by Brady Sherwood.

Treasurer's Report – Treasurer's report was read by Buster Hinkle, Treasurer. Motion to accept the Treasurer's report was made by John Redwine, seconded by Larry Macie.

Safety Officer's Report – The Safety Officer was absent.

Field Marshal's Report – Frank presented the plans he drew for the permanent tractor cover, and he'll submit them to the Corps for approval.

Buster has purchased the grassbur treatment chemical; Frank will take his sprayer out and apply it.

Frank completed striping the runway using Buster's striping machine.

There was discussion regarding applying sealer to the runway to fill the cracks. The consensus was to get a big enough crew together and get it completed this summer.

Larry mentioned that he recently mowed the infield area and around the runway.

Announcements – Paul Milton's sister in Denver passed away. Paul was up there with the family and would be attending her funeral.

Steve Sanders' mother passed away on June 22, her funeral will be on Tuesday, June 26. She was 96 years old.

Old Business

Sanctioned Fun Fly – Buster gave a report on the Fun Fly held on June 10th. This was Buster's 55th contest to CD!

New Business

Three new Night Fly events were added to the events calendar (in addition to the previously scheduled Night Fly on August 3rd): July 13, September 7th and October 12th.

Trip Reports – None. Bobby has an upcoming Senior Pattern competition on June 30th in Grand Prairie.

Blunder Awards – There were two nominees:

- 1) Larry was programming a quadcopter's controller when it unexpectedly went to full throttle, nicking his hand.
- 2) Fred Huber took off his big gas-powered P-51 and the engine sputtered and died; the resulting hard landing did a lot of damage.

Fred won the blunder award this month.

Show and Tell – Brady brought a "Lucky Lindy" coin that was minted to honor Charles Lindbergh's solo flight across the Atlantic in 1927. The coin belonged to his father, and was minted right after Lindbergh completed his flight.

Meeting adjourned 8:16 pm.

Minutes recorded and reported by *Frank Sodek*
Club Secretary

Total Expenses: \$129.71

Balance June, 2018: \$4,380.36

Submitted by *Buster Hinkle*
Club Treasurer

Safety Officer's Report

I will start by restating from last month and that is to be sure to bring water out to the field with you, drink plenty of it and take advantage of the shade that our covered pit areas offer. Recently the temperature was hitting 105 degrees plenty hot, fairly typical for our Texas summers, so take some extra care to avoid any heat related health issues or emergencies.

Another concern to be aware of and this was brought to my attention by a fellow member, be on the lookout for Brown Recluse spiders. A couple of these were seen hanging out in our outhouses, which is a perfect spot for them to be.

That's it for this month, be safe and take care of yourself!

Respectfully submitted,
Douglas Staines
